

## **RULES IBEW 595 AND FRIENDS**

1. We play by USGA rules. Local course rules have precedent. All course out of bounds, including in course boundaries, will be observed. This means all putts must be holed out “no gimmies” and lost balls are the same as an OB ball.
2. Play of the day will be posted on the men’s first tee. If not posted, play the ball down (Summer Rules). The club traditionally plays men’s white tees and women’s red tees, unless notified by the tournament chairman prior to the competition. Summer rules: play the ball down. Winter rules: lift clean and place anywhere within six inches, except in a defined/marked hazard.
3. You must sign your scorecard and turn it in to the tournament or handicap chairman before you leave. If you do not, you may be disqualified. Scorecards for Match Play and NCGA qualifiers must be signed and attested.
4. If during a round you DQ yourself, you will still be eligible for closest to the flagstick on all par threes.
5. If during a round, you and your group cannot decide on a ruling, play two balls for that hole, record the score for both balls, then get a ruling from the golf course or from one of the tournament officials at the end of your round.
6. You must have a NCGA index to be eligible for club prizes and awards. All prizes use net score, unless notified by the tournament chairman prior to competition. (excluding hole in one and closest to the flagstick contests).
7. The Club will give out awards for closest to the flagstick for each par three. The Tournament Chairman, with prior notice, reserves the right to change tournament format and awards for said tournaments.
8. Half and Full skins will be allowed as side-pot bets, providing we have volunteers to collect, determine winners, and distribute awards after tournaments have been completed.
9. Guests are eligible for closest to the flagstick unless notified by the tournament chairman prior to the competition.
10. You have until the closing date (fees due date) that we post in the schedule to sign up for a tournament. After that, we will take people only to fill partial groups. The Tournament Chairman will not call the golf course to add groups above the allotted amount. You are responsible for finding your own replacement if you are signed up for a tournament and can’t make it. If you get in touch with us, sometimes we have someone on a waiting list for the tournament. Tournament refunds for no-shows are determined by course contract.
11. Pace of play is always an issue, it is very important that your group keep pace with the group in front of you. If you hit a ball into area that will make it difficult to find your ball, declare and hit a provisional. However the Tournament Chairman can declare a Savanna rule prior to a start of a tournament. The Savanna rule is never in effect for NCGA qualifiers.
